

My Bell Direct

www.mybelldirect.com

Bell Techlogix makes it easy for you to order products on your own schedule and with your own terms. Using the same leading technology as other participants in the online ordering space, the My Bell Direct online ordering tool will provide you with an easy-to-understand interface and search feature, coupled with the personal attention and dedicated account team that you've come to expect from Bell Techlogix. With My Bell Direct, you have the tool you need to order products from your catalog quickly and easily, with the comfort of knowing that your dedicated account team is there if you need help or consultation.

My Bell Direct Benefits:

- Easy product searches
- 24x7 availability
- Easy-to-create quotes
- Simple ordering using a credit card or P.O.
- Affordable leasing options available
- Approval routing
- Standard lists and custom catalogs

Browse By:

- Part number
- Product category
- Product specifications
- Price

Create Custom Reports:

- Purchasing history
- Serial number
- Backlog/open order
- Invoice receipts

The screenshot displays the My Bell Direct website interface. On the left is a navigation menu with categories like Systems, Memory, Storage Devices, etc. The main content area shows a 'Spotlite' feature for the 'Hewlett-Packard - HP 2140 Mini-Note' with a price of \$399.00. Below this, there are other product listings like the HP EliteBook 6930p and HP 11710. A 'Comparison Results' window is overlaid on the right, comparing three HP Mini-Note models. The comparison table includes details like Part Number, Manufacturer, Description, Price, and Main Specifications (Dimensions, Warranty, Camera, Operating System, Product Description, System Type, Run Time, Processor).
